

Annual Report 2019-20

“May be there is a road ahead of it, May be there is a new world down the road, Walking forth is the only plight, Because we didn’t come this far to come this far only.”

A heart filled with aspirations is all that we knew since the very existence of the School and that’s what gave us the ambition of marching forward till excellence is achieved in all our endeavors.

This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

Shermount Public School and Sherkids International Pre-School is a part of ‘Sher’ group of institutions which is being run under the aegis of CMM Education and Charitable Trust which was established in 2012 in the fond memory of Sri. C M Muhammad Kunju, beloved father of our founded Chairman Mr. P M Ansari.

The School was set up with a noble cause to spread knowledge & enlightenment everywhere. The School is committed to nurture the inherent potential and talent of each child, creating lifelong learners who will be the leaders of tomorrow. At the School , we consider it vital to instill in students a strong set of core values. This in turn will help shape their lives and the world around them. Universal values and ethical codes of conduct are taught, to enable them to build their future and benefit society.

The School focus on:

- ☑ Values of honesty, compassion, tolerance and respect for others
- ☑ Development of democratic and secular values
- ☑ Respect for our country’s rich and varied heritage and a sense of national pride
- ☑ Learning to contribute to humanity through cooperative efforts

The Shermount and SherkidSchool , is a school which strives for educational excellence as our motto “Excellence & Relevance” says & at the same time provides an opportunity to develop inherent talent of each student and bring it to forefront.

The perfect blend of technology and a child centric approach makes Shermount and Sherkid learning system a unique one as it prepares students not only for the present but the future globally.

Equipping the students with skills which will make them leaders in their respective fields in 21st century is the Mission of the School.

The whole purpose of the institution is to develop a mind that works. No stone is left unturned to achieve it. We wish to create a new generation of learners who are capable of doing novel things by not merely repeating what other generations have done. They should be able make our community and world better than the way they received it.

Beliefs

☑ Student First

Each child is special and we should help him/her in bringing out the best talent for life and career. Our belief is that we would one day help our students to be pioneers wherever they might be.

☑ Knowledge Temple

We believe in creating temple of learning where knowledge is admired.

☑ Efficient Teachers

To bring and nurture outstanding teachers to get outstanding results.

☑ Holistic Development

Nurture the child's mind, body and spirit through holistic approach.

☑ Respect Everyone

All the members of school community should be treated with respect.

☑ Continues Improvement

As the world changes so must Shermount School, The Management of the School is dedicated towards ensuring that the curriculum, teaching methods and the infrastructure are upgraded and are kept up to date, to keep pace with the rapid changes taking place in the education field.

☑ Partnership with parents

Shermount and Sherkidsbelieves that parental support is integral to the success of each of our students. Their participation in their student's education process is always encouraged.

Focus Areas 2019

Not only are our students succeeding academically with the support of the management, parents, teaching and non-teaching staff, but also are being developed into compassionate, thoughtful individuals becoming aware of the ever changing world with its glories as well as challenges.

We hope our work bears fruit such that every student increases his or her love of learning and see how they can contribute for better in the world.

Principal
